Instructions

Cast on

Do the chain cast on, or your preferred cast on.

First rib stitch border

Rounds 1 to 10: Knit 1, Purl 1, repeat to end. I used the e-wrap knit stitch.

Garter stitch border

Round 11: Knit entire round.

Round 12: Purl entire round.

Repeat rounds 11 and 12 until you've done a total of 46 rounds. Round 56 will be your last round.

Last rib stitch border

Rounds 57 to 66: Knit 1, Purl 1, repeat to end.

Bind off

Do the stretchy bind off. Remember these three words: down, up, behind. Weave in ends by weaving up the columns. Make the second legwarmer with the remaining yarn.

This knitting chart shows the stitches for your first 4 pegs only – no room for the whole chart.
